

Sophia E. Thoreau to Frank B. Sanborn.

Bangor Mar 9th  
Dear Mr Sanborn,

I am happy  
to acknowledge the receipt of  
your draft for the rent, due  
March first. It reached me  
Saturday, the delay, I beg  
you to consider of no con-  
sequence.

I trust that the spring  
is farther advanced with  
you than it is in Bangor.

A deep snow fell yesterday  
& I fear it will be many weeks  
before the ice leaves the river.

I Mr. Alcott's account  
of Fiddian's interest  
gave me very much. It almost  
broke my heart to think what  
poor Abel suffered.

Please remember me

very kindly to Mrs As  
household & all other  
Concord friends

With I could look  
in upon Mrs Sanborn &  
the little boys with love  
to them - Believe me  
Yours truly

J. E. Morison,

P.S. A little trouble  
has arisen in the pay-  
ment of the draft, it being  
made out to Sophia C. Thorne  
instead of Sophia E.
